# SSTC Online On-Demand Seminar FAQs

## How do these seminars work?

After registration, you will receive a confirmation email providing you the link to our online seminar hosting service. This will include your private log-in information and your password.

The seminars are recorded and broken into several segments, and you take each segment in order. The length of each segment varies, depending upon the specific topic of the segment.

## Can I get CEU or PDH credit?

Each seminar will be accompanied with a brief quiz on the subject matter discussed. Each quiz is returned to SSTC and then graded by SSTC. To receive continuing education unit (CEU) credit or professional development hour (PDH) credit, you will need to watch each segment and complete the quiz. A 70% passing score on each seminar is required. If your score is below 70%, you will need to repeat that seminar and return a new quiz. Note that we also monitor the time spent watching each seminar segment. We also permit seminar participants to send questions related to the seminar content to the instructor for a response.

**ICC Certified Special Inspectors and other ICC Certified Code Safety Professionals:** These seminars are conducted in cooperation with the International Code Council, and SSTC is ICC Education Preferred Provider #1090. All SSTC seminars listed are approved for ICC certification renewals.

**AWS Certified Welding Inspectors and Senior Certified Welding Inspectors:** These seminars are recognized for continuing education credit under Clause 16 of AWS QC1 Standard for AWS Certification of Welding Inspectors.

**Professional Engineers and Structural Engineers:** Online on-demand seminars, when accompanied with quizzes and monitoring, normally count toward CEU or PDH credit for most organizations, but it is your responsibility to verify this when in doubt. Note that some states require pre-approval of course content and/or provider, and SSTC has not pursued this option for this form of seminar delivery in these states.

## How long do I have to complete the seminar?

We keep your seminar account active for a period of 90 days. After that time period, if you need an extension, you must contact us.

## May I record the seminars for future viewing?

Seminars are secured to prohibit recording. However, you may repeat the viewing of the seminar until you have received your letter of completion.

## May I have others in my firm watch the seminar?

You may have others in your firm watch the seminar with you. However, no CEU or PDH credit will be offered unless they are also registered to take the seminar. Should numerous log-ins for the seminar be noted, indicating that your personal log-in and password information has been shared, your seminar privileges will be suspended.

## On what devices can I watch a seminar?

**Computers:** Our online seminar provider has built-in viewers for you, with the typical controls for viewing you've become accustomed to using.

**Mobile devices:** Our online seminar provider supports HTML5, and every modern device and browser.

## Policies

Orders are typically processed within five business days after receipt of order. However, longer processing times may occur during holiday periods, office vacation shutdown, and extended international business activities.

No cancellation or refund after the first ten minutes of the seminar have been watched.

Most refunds are issued based on the payment method used at the time of purchase.

<b>Payment Method</b>	<b>Refund Method</b>	<b>Refund Time (After Return Is Received)</b>
<b>Credit Card</b>	Refund	3-5 days, however it may take 2-3 additional business days for the refund to display on your credit card statement.
<b>Bank Account</b>	Bank Account	Up to 10 business days
